

Full Time/Experienced/Full scope Certified Nurse Midwife

We are a physician-owned, small-sized Ob-Gyn practice located on the west side of Portland, Oregon who have been in business for over 50 years. We have been able to offer midwifery services for many of those years. We are currently seeking an experienced Certified Nurse Midwife, with at least two years of labor and delivery experience.

Our practice model focuses on one-on-one provider/patient relationships. We go the extra mile to provide personalized, collaborative care and we deliver a high percentage of our own patients. We also have on-site ultrasonography and lab services.

We deliver babies and cover call at Providence St. Vincent's hospital, where we have access to MFM services and 24hr OB hospitalist back up. Our midwives generally work three days in office with one-night primary call per week for low-risk doctor patients and midwife patients. Clinic full scope care includes gyn, birth control, annual exams, and pre/post-natal care.

The ideal candidate will be a team player, work well within the midwifery group and collaborate with physicians.

Our salary is competitive, and we offer full-time benefits including medical/vision/dental care coverage, vacation, sick, seven holidays, payment for CMEs, generous 401k and profit sharing, and moving expenses.

Portland is a wonderful place to work and to play. To get to know us better, visit our website at NWWC.com. If interested, please send your CV to our Administrator, Holli Kivett, at hkivett@nwwc.com.
