

Full Time/Experienced/Full scope OB/GYN Physician/Board Certified or Board Eligible

We are a physician-owned, small-sized Ob-Gyn practice located on the west side of Portland, Oregon who have been in business for over 50 years. We are a team of 6 full-time Ob-Gyns. We are looking to add one more physician to keep our call schedule lighter and to become a partner to plan for our future.

Our practice model focuses on one-on-one physician/patient relationships. We go the extra mile to provide personalized, collaborative care and we deliver a high percentage of our own patients. We also have on-site ultrasonography and lab services.

We have a beautiful west side office location in Portland about a mile away from the hospital. We deliver babies, perform GYN operations, and cover call at Providence St. Vincent's hospital. We also have access to the East Pavillion Surgical Center and have access to da Vinci, a level III NICU, MFM services and 24hr OB hospitalist back up at Providence St. Vincent's Hospital. We share call equally and do about 900 deliveries per year. We assist each other during surgery and share rounding. Our work week is 4 days, and we split weekend call. It is very important to all of us that we maintain a healthy work-life balance.

Our salary is competitive, and we offer benefits, moving expenses, CME, vacation, and an opportunity for partnership.

Portland is a wonderful place to work and to play. To get to know us better, visit our website at NWWC.com. If interested, please send your CV to our Administrator, Holli Kivett, at hkivett@nwwc.com.
